## Eugene Megyesy, Jr., Director

Gene Megyesy's practice encompasses all areas of environmental law, including rulemaking, permitting, enforcement, and litigation. He has represented manufacturing, real estate, mining, and municipal clients. His representation has included corporations, public entities, and individuals. Gene has gained experience in working with these clients on cases involving the permitting of landfills, mining and manufacturing operations, as well as air, disposal, and water quality compliance issues at various facilities.

Gene has experience at both the Colorado Attorney General's Office and the U.S. Environmental Protection Agency. As a result of being Honorary Consul General of Hungary in this region, he has been involved in numerous international transactions and litigation.

### Career Highlights

Represented corporate, municipal and private clients in lobbying, rulemaking, permitting, enforcement, litigation and negotiation on environmental matters while President and Shareholder at Saunders, Snyder, Ross and Dickson, P.C.

Represented agency during the review and revision of state environmental laws, regulations and permitting while at the U.S. Environmental Protection Agency, Region VIII, 1975-1978

Advised administrative agencies on rulemaking, permitting, and enforcement matters while at the Colorado Attorney General's Office, 1973-1975
